Dear Sir:

B. N. & Aust. Esq.

The Members of the St. Catharines Garrison Artillery, being desirous of procuring the Regulation Helmets, similar to those now used in the ^{French} Regular Army, and being anxious to present a creditable and soldierly appearance on parade, and make it an honor to belong to the ^{entire} Company, appeal to their numerous friends in St. Catharines for aid to accomplish their object.

We therefore solicit at your earliest convenience a small subscription, which you will kindly return with this circular in the enclosed envelope.

Signed on behalf of the Company,

A. F. NOBLE.
